## COVER GIOVANNI FERRERO CRYPTO GALA

Catégorie : Art

### Description

This NFT includes the digital proof and a digital copy of the Forbes Monaco cover featuring Giovanni Ferrero published in april 2019.

A printed version of this NFT was sold for € 2,000 at the first Forbes Monaco Art & Crypto Gala on November 13, 2021.

About Giovanni Ferrero: Giovanni Ferrero inherited his family's \$13 billion candy empire in 2015. The world's 40th richest man is executive chairman of the Nutella and Kinder confections business and the plant in Alba, Italy, produces 1,100 tons of sweets every day. When he bought Nestlé in 2018 for \$2.8 billion, Ferrero became the world's third largest candy maker. Two years later, the company posted nearly \$15 billion in sales. The Piera, Pietro and Giovanni Ferrero Foundation was set up in 1983 as the "Ferrero Social Initiative" with its motto "Work Create Donate." One of its initiatives includes national and international scholarships for up to €10,000.

About Forbes Monaco: Since its launch in 2018, Forbes Monaco has promoted a culture of diversity, inclusion and equality in the heart of a unique community of entrepreneurs and philanthropists while maintaining the authoritative voice of journalism that has built the reputation of Forbes Media. As the Principality's leading business media brand in English, Forbes Monaco has a strong commitment to sustainability and responsibility to ensure our content and experiences reflect the discreet audience we serve. As part of the Forbes family, Forbes Monaco's editorial efforts, product, revenue and corporate teams are committed to making this world a better place for all.
